Sir:

To comply with 37 C.F.R. 1.56, the attached PTO-1449 is submitted herewith to the Examiner for consideration in connection with the examination of the above-identified application.

In reply to the Information Disclosure Statement filed concurrently with the above-identified application, Applicant recently received an initialed 1449 (with the 15 January 2010 Office Action) in which two of the cited references were crossed out (Austria Patent No. 400970B and European Patent No. EP0443305) because apparently no English-language abstract was submitted therewith.

Accordingly, Applicant is filing this Supplemental Information Disclosure Statement listing the two above-described references and submitting accompanying English-language abstracts.

The Commissioner is hereby authorized to charge any fees which may be required, or credit any overpayment, to Barnes & Thornburg LLP Deposit Account No. 02-1010 (566-43619).

Respectfully submitted,
